

SNACKS

Growing With Grace Preschool

Snacks are provided by each child on a rotating basis. Your snack date is listed on the monthly calendar. Please trade with someone if you are not able to bring snack on your assigned day. If your child is ill and will be absent you can bring the snack the next day they return to class. We have extra snacks we can use in the meantime. You may be occasionally asked to bring a specific snack for class events.

Snacks must be commercially prepared and must arrive unopened as packaged. We ask that you bring enough snacks to feed the entire class. Paper products will be used and disposed of daily. Proper table sanitation will be implemented before and after snack. Hand sanitizer will be used prior to snack time. Staff will wear gloves and serve the snack and water to the students.

We are a NUT FREE school.

Birthday Treats: children are allowed to bring a “special treat” on their birthday celebration day. Please select approved Birthday snacks from the back of this sheet. At this time, parents are not allowed to come in the classroom on your child’s birthday celebration day. However, we will still celebrate your child at school and make them feel special. Please bring the birthday snack and their favorite book from home that the teacher will read to the class (please keep in mind the length of the story).

The other side of this sheet is the safe snack list. The snacks/brands below are all free of peanuts, tree nuts, and eggs. **We ask you to please purchase snacks from this approved list. If a snack is brought in that is not on this list, it will be sent back home.** This is to ensure the safety of all students. Thank you for your cooperation and understanding.

OVER
